Connecting Markets, Delivering Growth

Hyderabad, Telangana, India - GSTIN 36AIWPP6312N3ZE

Company Profile

Premium food grains, pulses and spices exported from Hyderabad, India to the GCC, Southeast Asia, Europe and Africa.

About us

Nandana Global Exim is an India-based export company dedicated to delivering premium-quality food grains, pulses, spices, and value-added agricultural products to international markets. Headquartered in Hyderabad, Telangana, we specialize in sourcing carefully selected produce from trusted farmers and processing partners across South India, ensuring consistent quality from origin to destination.

Our mission is to build a globally trusted Indian food brand by combining ethical sourcing, modern packaging, stringent quality standards, and reliable export logistics. We believe that every shipment represents the richness of Indian agriculture and the confidence of our customers.

We primarily serve the GCC and UAE markets with products including Sona Masoori Rice, Urad Dal, lentils, spices, and other agro commodities under the Nandana brand. Every product is packed with a strong focus on freshness, hygiene, traceability, and customer satisfaction.

Vision

To become a recognized global exporter of premium Indian food products, known for quality, integrity, and long-term partnerships.

Mission

- Source the finest agricultural products directly from reliable suppliers.
- Maintain international standards in packaging and food safety.
- Deliver consistent quality with transparent and dependable service.

- Create lasting value for customers across global markets.

Why buyers choose us

- Reliable procurement: Direct relationships with farmers and processing partners across South India, so supply stays steady through the season rather than depending on spot availability.
- Competitive pricing: Origin-level buying and lean overheads keep our FOB and CFR quotes workable for importers and wholesalers building volume.
- Strict quality control: Supplier verification, pre-dispatch inspection, moisture control and container checks on every consignment - the process is documented in Quality & Certifications.
- Timely delivery: Planned loading schedules and coordination with freight forwarders and CHAs so your vessel cut-off is met.
- International packaging: Export-grade PP, BOPP and laminated packs from 1 kg retail to 50 kg bulk, with private label and OEM branding for importers building a house brand.
- Documentation support: Commercial invoice, packing list, bill of lading, certificate of origin, phytosanitary and fumigation certificates prepared to your L/C and customs requirements.
- Experienced export team: A single point of contact from enquiry to delivery - sample dispatch, contract, inspection, documents and post-shipment follow-up.
