Specification sheet - Spices

Black Pepper

Whole black peppercorns and ground pepper, specified by bulk density and purity.

Black pepper is supplied as whole peppercorns graded by bulk density (g/l) and as ground pepper.

Bulk density, light berries and piperine content are the parameters buyers price against; each is agreed before contract and checked before dispatch.

Product highlights

- Whole peppercorns and ground pepper
- Graded by bulk density (g/l)
- Piperine level agreed per contract
- Bulk and private-label packing

Technical specification
