Connecting Markets, Delivering Growth

Specification sheet - Pulses

Chana Dal (Bengal Gram)

Split Bengal gram in defined size grades, plus whole chana on request.

Chana dal is supplied split and dehusked in defined size grades, with whole desi chana available for buyers who mill locally.

Size uniformity and freedom from broken and husk are the parameters most buyers check on arrival, so both are specified and verified before dispatch.

Product highlights

- Split dehusked, defined size grades
- Whole desi chana on request
- Low broken and husk content
- Bulk and private-label retail packs
