Specification sheet - Pulses

Red Lentils (Masoor)

Split red masoor and whole masoor, cleaned, colour sorted and graded.

Red lentils move fast in both retail and food-service channels because they cook quickly and hold colour. We supply split red masoor and whole masoor.

Colour uniformity and freedom from broken and discoloured grain are the parameters buyers judge on arrival; both are colour sorted before packing.

Product highlights

- Split red and whole masoor
- Colour sorted for uniformity
- Low broken and discoloured content
- Retail and bulk packing
