Connecting Markets, Delivering Growth

Specification sheet - Pulses

Toor Dal (Pigeon Pea)

Split pigeon pea, polished or unpolished, graded and cleaned for export.

Toor dal is the staple lentil of Indian kitchens and a steady mover in every market with a South Asian population. We supply it split, in polished and unpolished forms.

Polish type matters to buyers - oiled, water polished and unpolished all cook and store differently - so it is agreed explicitly at contract stage.

Product highlights

- Split, polished or unpolished
- Uniform colour and size grading
- Foreign matter and moisture controlled
- Retail and bulk packing

Technical specification
