Specification sheet - Pulses

Urad Dal (Black Gram)

Whole, split and dehusked urad - a core GCC line, machine cleaned and graded to count.

Urad is one of our established export lines alongside Sona Masoori. It is supplied whole (black), split with skin, or dehusked white split and whole, depending on the cuisine your market cooks.

Lots are machine cleaned, graded and checked for foreign matter and moisture before packing. Count and purity are agreed against your buying specification.

Product highlights

- Whole black, split, and dehusked white forms
- Machine cleaned and graded to count
- Moisture controlled before packing
- 25 kg / 50 kg bulk and retail packs
